Dear Public Advisor,

Could you please provide me under the California Public Records Act and the California State Constitution Article 1, Section 3, the co-called "Soup to Nuts" report on CPUC transparency authored by the Honorable Karen Clopton, Chief Administrative Law Judge for the California Public Utilities Commission on January 2009.

Please provide Chief Judge Clopton's final and draft reports to the Commission including her "innovative recommendations."

The text referencing Chief Judge Clopton's report [is on her page](#) at the official CPUC Web site as follows and is only referenced as the "soup to nuts" review as follows:

"The Commissioners charged Chief Judge Clopton with conducting a "soup to nuts" review of the CPUC's decision-making processes in January 2009 and she exceeded every expectation with her thorough research, stakeholder outreach, focus and working groups, public input, review, and innovative recommendations. The CPUC has embraced her many initiatives to make its crucial regulatory work more accessible to the public, more transparent, and more efficient. In recognition of her work at the CPUC and throughout her more than 25 year career, the American Bar Association awarded Chief Judge Clopton the 2010 Mary C. Lawton Award for Outstanding Government Service."

Respectfully submitted,
